Inventor Edgardo Vazquez Honored Among 2025 Exemplary Senior Citizens

On October 15, 2025, the House of Representatives, through the Senior Citizens Party List, held the 2nd Gawad Parangal for Exemplary Senior Citizens 2025 at the Meeting, Incentives, Conferences, and Exhibitions (MICE) Event Center in Quezon City. The event celebrated the remarkable achievements and lifelong contributions of Filipino senior citizens who have made lasting impacts in their respective fields. Among this year's distinguished awardees was Mr. Edgardo Vazquez, a visionary inventor recognized for his groundbreaking innovations in modular housing, sustainable technologies, and community empowerment.

The celebration was part of the Elderly Filipino Month, which carries the theme "Embracing Age: Living a Life with Dignity and Purpose." This theme underscores the belief that every senior citizen deserves to live with dignity, respect, and care, as they re-

main the heart of the community and an enduring inspiration to future generations.

Mr. Vazquez is the inventor of the Vazbuilt prefabricated modular housing system, a pioneering innovation that redefined affordable and disaster-resilient housing in

the Philippines. His work led to the commercialization of modular housing and fencing technologies, producing thousands of units that address the country's housing challenges. He later expanded his innovations to include misting-cooling systems and waste-to-ash technologies, blending practical solutions with environmental consciousness and social purpose. Beyond his technical achievements, Mr. Vazquez is also an author and advocate of preventive health and accessible technologies for communities. His lifelong commitment to innovation and service exemplifies how creativity and compassion can drive meaningful change, improving the quality of life for ordinary citizens. With both national and international accolades, he continues to prove that senior innovators can remain powerful agents of progress and inspiration.

The Gawad Parangal for Exemplary Senior Citizen is an annual recognition program organized by the Senior Citizens Party List to honor Filipino seniors who have made remarkable contributions to the nation. The event aims to celebrate their wisdom, leadership, and enduring legacy in building a more inclusive and empowered Philippines (Nelson Santos)

DOST Cagayan Valley Reaffirms STI Support for Cooperatives

The event, spearheaded by the Cooperative and Livelihood Development Office (CLDO), gathered cooperative leaders, partner regional line agencies, and local government officials. It aimed to strengthen partnerships, promote innovation, and advance inclusive and sustainable growth among cooperatives. DOST Region 02 Director Dr. Virginia G. Bilgera presented the Department's key programs that directly support cooperatives and micro, small, and medium enterprises (MSMEs). She highlighted flagship initiatives such as SETUP 4.0, OneLab, OneExpert, the Community Empowerment through Science and Technology (CEST) program, and Innovation for Filipinos Working Distantly from the Philippines (iFWD PH). These programs aim to enhance productivity, provide access to modern technologies, and offer technical expertise and funding support to local enterprises. Dr. Bilgera also emphasized DOST's continued collaboration with the City Government and the newly established Tuguegarao City Cooperative Development Council. Members of the council took their oath during the summit, pledging to promote innovation, collaboration, and good governance within the cooperative movement. "We believe that progress is best achieved when science serves the people. Our goal is to ensure that cooperatives experience the tangible impact of science and technology in every aspect of their operations because science and innovation are not confined to laboratories or industries - they belong in our communities. When our cooperatives grow through technology, our entire region moves forward," said Dr. Bilgera. As the summit concluded, Dr. Bilgera reaffirmed DOST's mission to make "Agham na Ramdam" a reality across Cagayan Valley. The event also reflected Tuguegarao City's strong commitment to cooperative empowerment and development. With DOST as a steadfast partner, the

city continues to champion innovation, productivity, and shared prosperity for all. DOST Cagayan Valley Muling Pinagtibay ang Suporta sa mga Kooperatiba sa pamamagitan ng Agham, Teknolohiya, at Inobasyon Lungsod ng Tuguegarao, Cagayan, Oktubre 24, 2025 — Muling pinagtibay ng Department of Science and Technology (DOST) Cagayan Valley ang kanilang pangako na paigtingin ang kapangyarihan ng mga kooperatiba sa pamamagitan ng agham, teknolohiya, at inobasyon (STI) sa pakikibahagi nito sa pagdiriwang ng 1st Tuguegarao City Cooperative Development Summit na ginanap kamakailan sa lungsod. Ang nasabing aktibidad, na pinangunahan ng Cooperative and Livelihood Development Office (CLDO), ay nagtipon ng mga pinuno ng kooperatiba, mga kinatawan ng mga ahensya ng pamahalaan sa rehiyon, at mga opisyal ng lokal na pamahalaan. Layunin ng pagtiipon na palakasin ang ugnayan ng mga katuwang, isulong ang inobasyon, at paunlarin ang inklusibo at sustenableng pang-unlad ng mga kooperatiba. Ibinahagi ni DOST Region 02 Director Dr. Virginia G. Bilgera ang mga pangunahing programa ng Kagawaran na tuwirang tumutulong sa mga kooperatiba at micro, small, and medium enterprises (MSMEs). Kabilang dito ang mga pangunahing inisyatiba tulad ng SETUP 4.0, OneLab, OneExpert, ang Community Empowerment through Science and Technology (CEST) program, at Innovation for Filipinos Working Distantly from the Philippines (iFWD PH). Layunin ng mga programang ito na mapataas ang produktibidad, magbigay ng akses sa makabagong teknolohiya, at mag-alokey teknikal na kadalubhasaan at pondo para sa mga lokal na negosyo. Binigyang-diin din ni Dr. Bilgera ang patuloy na pakikipagtulungan ng DOST sa Pamahalaang Lungsod at sa bagong tatag na Tuguegarao City Cooperative Development Council. Nanumpa ang mga kasapi ng konseho sa nasabing summit, bilang

tanda ng kanilang pangako na isulong ang inobasyon, pagtutulungan, at mabuting pamamahala sa loob ng kilusang kooperatiba. "Naniniwala kami na ang tunay na pag-unlad ay nakakamit kapag ang agham ay nagsisilbi sa tao. Layunin naming matiyak na maranasan ng mga kooperatiba ang kongkretong benepisyo ng agham at teknolohiya sa bawat aspeto ng kanilang operasyon, sapagkat ang agham at inobasyon ay hindi lamang para sa mga laboratoryo o industriya—ito ay para sa ating mga komunidad. Kapag umuunlad ang ating mga kooperatiba sa tulong ng teknolohiya, ang buong rehiyon ay sabay na sumusulong," ani Dr. Bilgera. Sa pagtatapos ng summit, muling tiniyak ni Dr. Bilgera ang misyon ng DOST na maisakatuparan ang "Agham na Ramdam" sa buong Cagayan Valley.

Ipinakita rin ng naturang kaganapan ang matatag na pangako ng Lungsod ng Tuguegarao sa pagpapaulat at pagpapalakas ng mga kooperatiba. Sa tulong ng DOST bilang tapat na katuwang, patuloy na isinusulong ng lungsod ang inobasyon, produktibidad, at patas na kaunlaran para sa lahat.

TUGUEGARAO CITY, Cagayan, October 24, 2025 — The Department of Science and Technology (DOST) Cagayan Valley reaffirmed its commitment to empowering cooperatives through science, technology, and innovation (STI) as it joined the City Government of Tuguegarao in celebrating the 1st Tuguegarao City Cooperative Development Summit held recently in the city.

RSTL Attends Training on Nutrition Labelling and Quality Control Programs for Regional Labs Laboratory Analysts from the DOST Northern Mindanao Regional Standards and Testing Laboratory (RSTL)

The activity provided participants with updated knowledge on nutrition labeling 1 "L" only standards and quality control protocols, both of which are critical in ensuring reliable laboratory results and accurate food product information. For the attending analysts, the training strengthened their technical skills in validating laboratory processes, aligning methods with international standards, and ensuring compliance with regulatory requirements. The undertaking will directly improve the laboratory's capacity to support food industries in

Northern Mindanao, particularly in generating trustworthy nutrition labels for various food products.

By equipping the analysts with refreshed skills and new perspectives, the training fosters greater confidence, accuracy, and efficiency in laboratory operations. Ultimately, this contributes to the DOST's mission of promoting food safety, consumer protection, compliance with regulations, and competitiveness of local products in both national and global markets.

Shelf-life Evaluation Laboratory successfully participated in the Training on Nutrition Labelling and Refresher Course on Laboratory Internal and External Quality Control Programs held on September 30 to October 1, 2025, at the DOST-FNRI Training Hall, Bicutan, Taguig City. The training was hosted by the Food and Nutrition Research Institute (DOST-FNRI).

PTFOMS, NAPOLCOM Ink Agreement to Strengthen Protection, Cooperation for Media Workers

Among the key initiatives is the establishment of an effective case referral and investigation system, designed to facilitate quick response and decisive action on incidents involving media workers. A joint monitoring mechanism will also be set up to ensure continuous, real-time sharing of information, helping to prevent cases from falling through the cracks.

In addition to investigative processes, the agreement prioritizes the protection of media workers through mechanisms that will expedite referrals for protective custody and psychosocial support—ensuring victims of threats or

violence receive timely assistance.

Education and awareness will be central to this partnership. Both agencies will review and enhance existing policies on media relations, emphasizing principles of press freedom, the right to information, and responsible communication.

The agreement underscores the importance of policy reform, including engaging media workers' groups in decision-making processes and strengthening guidelines to better protect their rights. To promote long-term cooperation, regional capacity-building activities will be conducted to train law enforcement officers and media personnel, fostering stronger collaboration and respect.

Both agencies will advocate with relevant authorities, including the Department of Justice, to ensure investigation reports are credible and hold weight in legal proceedings. They will also hold

regular meetings to assess progress, set new targets, and reinforce their shared commitment.

"This agreement is more than just a document; it is a shared vow to protect the rights of media workers, uphold press freedom, and promote transparency and accountability in our society," said Jose Torres Jr., Executive Director of PTFOMS. "Together, we aim to ensure every media practitioner can perform their duties safely, freely, and without fear or obstruction."

The collaborative effort between PTFOMS and NAPOLCOM highlights the Philippine government's strong commitment to safeguarding press freedom and ensuring that media workers can operate in a secure and supportive environment. #

Preserving Tradition through Science

DOST Secretary Solidum Witnesses How Innovation Colors the Future of Future of Filipino Silk Weaving in Misamis Oriental On October 20, 2025, Department of Science and Technology (DOST) Secretary Renato U. Solidum Jr. visited the ABAI (Ayala Beneficiaries Association, Inc.) Weavers Multi-Purpose Cooperative and the Philippine Textile Research Institute's (PTRI) Natural Dyes Hub in Laguindingan, Misamis Oriental, where culture and innovation merge to sustain the province's rich silk weaving heritage.

A beneficiary of both the Community Empowerment through Science and Technology (CEST) program and DOST-PTRI, the cooperative received assistance in 2018 under the project "Upgrading of Silk Weaving Center at Laguindingan." Through

this, ABAI was provided with 10 handlooms and underwent specialized trainings on cellulose fiber dyeing, silk yarn degumming, advanced 4-pedal handloom weaving, Suksuk (Pili design) weaving, and loom repair and maintenance. These interventions improved

their craftsmanship, enhanced production quality, and promoted sustainable silk weaving practices in Region 10. During the visit, Secretary Solidum observed weaving and natural dyeing demonstrations by four skilled members of the cooperative. Currently,

ten active silk weavers in the province continue to strengthen the industry by training other weaving communities across Northern Mindanao—passing on their artistry and technical knowledge to preserve this centuries-old craft. Secretary Solidum lauded the cooperative's dedication to merging tradition with technology and emphasized how DOST's continued support bridges cultural preservation and innovation. He also expressed his hope for the group to inspire and mentor young silk weavers through training and certification programs, ensuring that the artistry of Filipino weaving not only endures but flourishes—colored beautifully by science, technology, and innovation.

Reporma para maging abot kaya ang bigas sa bansa, minamadali na ng DA

Inihahanda na ng Department of Agriculture (DA) ang pag-kumpleto ng mga konsultasyon sa buong bansa para sa malawakang pagbabago ng Rice Tariffication Law (RTL).

Naniniwala ang ahensya na makakatulong ang repormang ito para mapigilan ang pagtaas ng presyo ng bigas, at upang magkaroon ng sapat na kita ang mga magsasaka.

Ayon kay Agriculture Secretary Francisco Tiu Laurel Jr., ang mga pagpupulong sa iba't ibang rehiyon, na matatapos sa susunod na linggo, ang magiging basehan para sa huling bersyon ng mga panukalang pagbabago na isusumite sa Kongreso.

Ang hakbang na ito ay alinsunod sa direktiba ni Pangulong Ferdinand R. Marcos Jr. na paunlarin ang buhay ng mga magsasaka at siguraduhing may abot-kaya at de-kalidad na bigas para sa lahat.

Bumilis ang usad ng reporma matapos ang 2025 Quinta Hearings sa Kongreso, kung saan sinang-ayunan ng mga mam-

babatas at mga stakeholder ang mga pagbabago sa RTL noong 2024, na ngayon ay Republic Act No. 12078.

Ang pagbabago sa batas ay isa sa 44 na importanteng bagay na inirekomenda ng Legislative-Executive Development Advisory Council (LEDAC).

Ilang 'midnight appointees' na pinag-'courtesy resignation', kumikilos umano para di' sundin ang pagbibitiw

Ibinanyag ni Assistant Ombudsman Mico F. Clavano na mayroong pagkilos ang ilan sa umano'y mga 'midnight appointees' para di' sun-

din ang 'courtesy resignation' iniatas ni Ombudsman Jesus Crispin 'Boying' Remulla.

Ayon mismo kay Ombudsman Spokesperson

Clavano, ang pagkilos ng mga opisyal na ito ay upang mangalap ng suporta nang sa gayon ay maiwasan ang pagbibitiw mula sa pwesto.

Gayunpaman, ibinahagi ni Assistant Ombudsman Clavano na alam naman na ito ni Ombudsman Remulla kung kaya't binibigyan sila ng isa pang pagkakataon para sundin ang kahilingan o kautusan.

Maalalang imihayag mismo ng kasalukuyang tanod-bayan ang pagkakadiskubre sa higit 200-katao, mga empleyado at opisyal ang biglaang na-hire at na-promote bago umalis si former Ombudsman Samuel Martires.

Alinsunod rito'y ina-

tasan ni Ombudsman Boying Remulla ang 99-high ranking officials na magsumite ng kanilang 'courtesy resignation'.

Imihayag pa ni Assistant Ombudsman Clavano na nais lamang ni Ombudsman Remulla sa inatas na 'courtesy resignation' ay masimlan ang bagong liderato ng maay- os.

Kung saan ipinaliwanag ng tagapagsalita ng Ombudsman sa papaano humantong sa kautusan kinailangan pang magbitiw ng mga mataas na opisyal mula sa kani-kanilang mga pwesto.

Paglinaw naman ni Ombudsman Spokesperson Clavano na ang kautusang ito ay hindi para paghigantihan ang

nakaraang administrasyon sa tanggapan.

Kundi ipinaliwanag niyang ito'y upang maseguro o maipakita ng mga opisyal ang kanilang 'loyalty' sa Office of the Ombudsman at hindi para sa iisang tao lamang.

Sa kabila nito, positi- bong ibinahagi ni Assistant Ombudsman Clavano ang impormasyon mayroon ng mga naghain ng kanilang 'courtesy resignation'.

Bagama't hindi pa tiyak ang bilang nito, ayon sa naturang tagapagsalita, may 'good number' anyia na naghain ng kanilang pagbitiw maipakita lamang na sila'y 'in good faith' sa tanggapan.

Mateo 3:2
"Ganito ang Kanyang sinasabi, "Magsisi kayo at talikuran ang inyong mga kasalanan sapagkat malapit nang dumating ang kaharian ng langit!"

TUNAY NA PAGSISISI

Sapat na ba ang paghingi ng tawad sa Dios upang sabihing tunay ang ating pagsisisi?

Gawa-26:20

"Nangaral ako, una sa Damasco, saka sa Jerusalem at sa buong lupain ng Judea, at gayundin sa mga Hentil. Ipinangaral kong dapat silang magsisi't tumalikod sa kanilang mga kasalanan, lumapit sa Diyos, at ipakita ang kanilang pagsisisi sa pamamagitan ng mga gawa."

Ano ang mga dapat nating gawin upang ipahayag na tayo'y nagsisisi.

1) May buhay-panalangin. Ang tunay na may ugnayan sa Dios ay sa pamamagitan ng isang lumalagong buhay-panalangin. Kailangan ito upang lumago ang isang mananampalataya sa kanyang pananampalataya. Ito'y hindi isang suwestiyon kundit utos ng Dios.

1 Tesalonica 5:17

"...palagi kayong manalangin..."

Ito ay isang utos upang lumago tayo sa pagkakakilala kay Hesus at magkaroon ng malalim na relasyon sa Kanya.

Ang panalangin ay paraan upang tayo ay makatanggap sa Kanya at magawa natin ang Kanyang kalooban.

Juan 15:5

"Ako ang puno ng ubas at kayo ang mga sanga. Ang nananatili sa Akin, at Ako sa kanya, ang siyang nagbubunga nang sagana, sapagkat wala kayong magagawa kung kayo'y hiwalay sa Akin."

2) May bagong uri ng pamumuhay. Ang tunay na pagsisisi ay ang pagtalikod sa lumang pamumuhay at paglandas ng isang bagong buhay na kasama si Kristo.

2 Cor.5:17

"Kaya't kung nakipag-isa na kay Cristo ang isang tao, isa na siyang bagong nilalang. Wala na ang dati niyang pagkatao, sa halip, ito'y napalitan na ng bago."

3) Ang taong nagsisi ay may bago ng kaisipan.

Roma.12:2

"Huwag kayong makiayon sa takbo ng mundong ito. Sa halip, hayaan ninyong baguhin ng Diyos ang inyong pag-iisip upang manawalan ninyo ang kanyang kalooban. Sa gayon, magagawa ninyo kung ano ang mabuti, kalugud-lugod at ganap na kalooban ng Diyos."

Ang taong may bago ng kaisipan ay ang makatatanggap ng pangunawa sa mga pahayag ng Diyos.

Efeso 4:23-24

Magbago na kayo ng diwa at pag-iisip; at ang dapat ninyong isuot ay ang bagong pagkatao na nilikhang kalarawan ng Diyos, at nahahayag sa matuwid at banal na pamumuhay ayon sa katotohanan.

Gayun din naman, siya ay may kakayahang tumanggi sa alok ng laman, ng mundo at ng demonyo.

1 Juan 3:9

"Ang mga anak ng Diyos ay hindi nagpapatuloy sa pagkakasala, sapagkat nananatili sa kanila ang binibig mula sa Diyos. At dahil ang Diyos ang ama nila, hindi sila maaaring magpapatuloy sa pagkakasala."

TO GOD BE THE GLORY.

Jona Viray on experiencing abuse from her father: 'I feel strong enough to share my journey'

Jona Viray has opened up about a traumatic experience she went through as a child, revealing that she was sexually abused by her father at the age of 10.

In an emotional interview on Toni Talks, Jona said it was her first time speaking publicly about a dark chapter in her life, one she had long avoided sharing.

"Noong bata ako, at 10 years old, naging biktima ako ng molestiya from my father. After ng pangyayari na umalis yung nanay namin. That time, hindi ko alam kung paano magreaccate kasi hindi ko alam ang mga iyon," Jona shared.

Jona shared that she was confused and didn't fully understand what was happening at the time.

"Sa pagkakaalala ko day-time nangyari iyon. Pinapasok ako sa kwarto and doon na nagsimula yung mga horrific na nangyari. At that time, frozen lang ako kasi hindi ko alam. Tama ba ito?" she recalled. "Even after mangyari mga bagay na iyon, all those years growing up, magkasama pa rin kami ng papa ko. After noon, as if walang nangyari. Okay pa rin kami."

"It happened more than once. Noong year lang na iyon nangyari, after that hindi na nasundan. Unconsciously,

Batikang choreographer na si Anna Feliciano, pumanaw na sa edad na 65

Pumanaw na ang veteran choreographer na si Anna Feliciano, 65, na kilala sa kanyang masiglang mga pagtatanghal sa noo'y sikat na noontime show ni Willie Revillame.

Kinumpirma ng kanyang pamilya ang balita sa social media noong Huwebes, Oktubre 23.

Ayon sa kanyang anak na si April Feliciano, "Let's celebrate Mama Anna's life together as we share stories of how she touched lives on a

kakausapin mo yung sarili na wala ka nang kwenta kasi nga naabuso ka na you are not pure anymore, wala ka nang value. Sobrang baba na ng self-esteem ko," she added.

After the abuse, Jona said she chose to keep everything to herself for many years, only realizing later how deeply traumatic the experience had been.

"Walang nakakaalam sa mga kapatid ko. Hindi ko sinabi sa kanila kasi di ko alam paano nila mareceive. Walang nakakaalam other than noong manager ko ngayon," Jona shared.

As she grew older, Jona began to reflect on her past and understand what she had gone through.

"Sobrang late bloomer ako. Lahat ng pangit na nangyari from the past may tendency ako na kalimutan kasi masakit alalahanin kaya lang kapag dumadating na mga moments na nagkakaroon ka na ng deeper knowledge in life, na mga hindi dapat gawin sa mga babae, doon ko narealize na lahat ng napagdaanan ko as a child, sobrang unimaginable," she emotionally said.

Jona admitted that the trauma affected her self-worth and how she related to others as she grew up.

"After those things happened deeper level."

Ginanap ang wake ng yumaong choreographer sa Loyola Memorial Chapel sa Commonwealth, Quezon City, kahapon, Oktubre 25, na may viewing simula ala-1 ng hapon at necrological service sa ganap na alas-7 ng gabi.

Hindi pa isinasapubliko ng pamilya ang sanhi ng kanyang pagkamatay. Bagama't ipinahayag naman ng kanyang apo at ng mga kaibigan sa industriya ang pasasalamat sa pagmamahal at dedikasyon ni Feliciano, pati na rin ang kanyang kontribusyon sa telebisyon.

Kaugnay nito ang "Wowovin" team ay nagbigay pugay naman sa kanya bilang isa sa mga creative forces ng programa, at nagpaabot ng mensahe na: "Mahal na mahal ka namin, Anna Feliciano!"

pened from my childhood, unconsciously, pagdating ko sa a young woman, para nagsesek ka na ng validations sa ibang tao na ang gusto mo na lang naman to feel loved, to feel secure, to be worthy and to be adored kasi ayon pala yung natakaw ayang sa 'yo noong bata pa," Jona said.

She shared that, as a teenager, she sometimes lost her way in her search for affection and validation.

"May mga times na noong teenager ako, naliligaw ng landas kasi naghahanap ako ng validation kasi nga ayon yung wala sa bahay," she expressed.

The experience also made her fearful of opening herself up to romantic relationships.

"For how many years, single ako kasi masiyado na ako natatatak na magtiwala na ulit," she explained. "Hindi naintindihan ng mga tao kung saan nangagling bakit kailangan ko maging choosy. Ayaw ko mautil na magkaroon ng pagiging broken family or kaya naman abusuhin ako. If papasok man ako sa relationship, I want it as a whole."

Despite everything she went through, Jona said she has found healing through faith and forgiveness.

"Ipinagdasal ko iyong mga nangyari sa akin. Sabi ko, 'Lord, sinusurrender ko lahat ng mga nangyari sa akin. Kayo na po bahala sa akin. Bigyan Niyo po ako ng comfort, ng courage. Kayo po ang lumikha sa akin, so please make me whole again.' Nag-

simula yung journey ng healing ko noong time na nagpass away yung papa namin," she remarked.

As the eldest daughter and breadwinner, Jona still cared for her father while he was sick, saying: "Noong time na nagkakasakit na siya, as the eldest daughter and breadwinner, ako nagalaga sa kaniya financially and other. Noong mga panahon na iyon nandoon pa rin yung pagmamahal ko sa father ko. Gusto ko maging ideal yung pagkasama namin."

Before her father passed away, Jona received a message from him that brought her closure.

"A few weeks before he passed away. Nagtext siya sa akin na: 'Anak, patawarin mo ako sa lahat ng mga nagawa kong pagkakamali. Mahal na mahal ko kayo.' Ayon lang pero kahit simple words like that, ayon nagcontribute ng healing sa akin. Pakiramdam ko kahit hindi na nga siya manghingi ng tawad, kaya ko siyang patawarin sa lahat ng nangyari sa pamilya namin," she said.

The singer said that forgiveness lifted a heavy weight off her. "Yung pakiramdam ko noon, mas narelieve ako. Yung timik sa buong pagkatakaw, parang nahugot. Looking forward pa nga ako na kapag gumaling siya, na makapag-out of country kami lahat. Hindi na rin natuloy iyon kasi he passed away."

"Grace of God na lang din siguro (kaya nakapagpatawad ako)," she expressed.

With her experience, Jona shared: "Noong early stage ng singing career ko, ang binabansag sa akin ay Soul Princess kasi maemosyonal kumanta pero after that stage binansagan na ako na Fearless Diva kasi napakafearless kumanta on stage. Pero ngayon, narealize ko na may purpose pala bakit tinawag ako na fearless."

She added, "Now, I feel fearless and I feel strong enough to share my journey from the past na for a long time, tinago ko na even sa sarili ko dineny ko rin, na tinago ko under the rug kasi sa sobrang sakit ng pangyayari na iyon, ayaw ko na maalala na naging part pala iyon ng buong buhay ko."

Labis ang pagdadalambhati ng pamilya ni dating Manila councilor at host na si Kim Atienza sa biglaang pagpanaw ng kanilang anak na si Emman Atienza, content creator, na kilala sa kanyang pagiging bukas tungkol sa isyu ng mental health.

Russia ipinagmalaki ang testing ng kanilang nuclear powered Burevestnik cruise missile

9M370 Burevestnik / SSC-X-9 Skyfall Russian nuclear-powered missile

Ipinagmalaki ni Russian President Vladimir Putin ang matagumpay nilang pag-testing ng nuclear-powered Burevestnik cruise missile.

Isinagawa ang missile test ilang araw matapos ang bigong pagpupulong sana nila ni US President Donald Trump.

Dahil din dito ay pinatawan ng US ng sanctions ang mga malalaking oil companies ng Russia.

Sinabi naman ni Valery Gerasimov ang chief general ng Russian armed forces, na ang Burevestnik missile ay nanatili ng 15 oras sa himpapawid at sumakop ng hanggang 14,000 kilometers.

Mayroon din itong kapasidad na umiwas sa mga anti-missile at anti-aircraft defences.

Pinag-aaralan pa ngayon ni Putin ang paraan kung paano ito gamit at ang imprastruktura para mailunsad ang nasabing missile.

Taduran balak labanan ang kapwa Pinoy na si Jerusalem para sa WBC title

Matapos matagumpay na madepansahan ang kanyang korona bilang IBF minimum-weight champion, agad na nakatunog ang atensyon ng tubong Libon, Albay na si Taduran sa mas malaking entablado.

Nais niyang makaharap si Collazo, ang kasalukuyang WBA champion na may malinis na rekord na 13-0.

Walang pangamba si Taduran at tiwala siyang kaya niyang talunin si Collazo.

Ngunit kung sakaling hindi matuloy ang laban kontra sa Puerto Rican boxer, balak ni Taduran na hamunin si Melvin Jerusalem upang sungkitin ang kanyang titulo at belt.

Boston, bigo pa ring magbalsa ng panalo sa loob ng tatlong magkakasunod na game

Bigo pa ring magbalsa ng panalo ang Boston Celtics matapos itong padapain ng Detroit Pistons sa ikatlo nitong game ngayong season, 119-113.

Hindi naging sapat ang 41 points na ibinuhos ni 2024 NBA Finals MVP Jaylen Brown para maipanalala ng Celtics ang ikatlo nitong game ngayong season.

Magkakasama ang mga bagitong Pistons star na nagdumina sa panalo sa pangunguna ni Jalen Duren na kumamada ng 24 points at 18 rebounds habang 21 points

at 12 rebounds naman ang ambag ng guard na si Ausar Thompson.

Hini rin nagpahuli si Pistons captain Cade Cunningham na gumawa ng 25 points at walang assists.

Sa loob ng tatlong game, pawang malamiyang depensa ang ipinakitang ng Boston, na labis na sinasamantala ng kanilang mga nakalaban tulad ng Pistons.

Sa ikatlong game ng 2024 NBA champion, tanging 38 rebounds lamang ang nakuha nito habang 55 rebounds ang kinamada ng Pistons.

Nananatili pa ring hindi nakakapaglaro si Boston star Jayson Tatum habang nagpapagaling sa kaniyang achilles injury.

Binabalak ng IBF minimumweight champion na si Pedro Taduran na hamunin ang kapwa Pilipino na si WBC champion Melvin Jerusalem, sakaling hindi matuloy ang laban niya kontra Puerto Rican boxer na si Oscar Collazo.
