Innovate. Collaborate. Elevate. -DOST XII-PSTO Socot Highlights Startup and iHub Initiatives at South Cotabato Business Conference 2026

The conference gathered business leaders, entrepreneurs, innovators, and development partners across the province to discuss opportunities, collaborations, and strategies that will further strengthen South Cotabato's growing economy and thriving business ecosystem.

A highlight of the event was the participation of Hon. Governor Reynaldo S. Tamayo Jr. during the Governor's Hour, where he shared significant developments on the province's improving economy and the continued growth of its Gross Domestic Product (GDP), emphasizing the province's commitment to inclusive growth and sustainable development.

Meanwhile, Provincial Director Giselle Eve O. Siladan presented the various Programs, Projects, and Activities (PPAs) of DOST, particularly initiatives that support innovation-driven entrepreneurship and startup development. Among the key initiatives highlighted were the establishment of Technology Business Incubators (TBIs) for startups and the proposed Innovation Hub (iHub) facility in the province, which aims to become a collaborative space for innovators, researchers, students, MSMEs, and aspiring entrepreneurs to transform ideas into impactful solutions and sustainable enterprises.

The event was spearheaded by the South Cotabato Economic and Investments Promotion Center (SCEIPC) headed by Mr. Tyronn Jann Villanueva, RN, MPA, in partnership with various stakeholders dedicated to advancing economic development and innovation in the province.

Through initiatives like this and with the support of RD Malawan, DOST XII - PSTO SoCot continues to strengthen its commitment to fostering a vibrant culture of innovation, empowering local entrepreneurs, and creating more opportunities for science, technology, and innovation to drive inclusive and sustainable development in South Cotabato and the entire SOCCSKSARGEN Region

The Department of Science and Technology – SOCCSKSARGEN Region (DOST XII), through its Provincial Science and Technology Office – South Cotabato headed by Provincial Director Giselle Eve O. Siladan, proudly served as one of the resource speakers during the 2026 South Cotabato Federation of Local Chambers of Commerce Conference held in line with the celebration of the South Cotabato Business Week.

Exploring Engineering Solutions to Enhance Muscavado Production for Bukidnon Sugarcane Farmers

Sugarcane farmers of the Bukidnon Farmers CARP Beneficiaries Multi-Purpose Cooperative (BUKIFCARB MPC) in Don Carlos, Bukidnon continue to produce quality muscovado sugar as a source of livelihood and community pride, yet operational challenges and production bottlenecks can limit their efficiency and growth potential. To better understand these needs and identify appropriate interventions, the Department of Science and Technology (DOST) Bukidnon conducted a Technology Needs Assessment (TNA) on May 28, 2026, as part of its continuing efforts to support farmer-led enterprises through science, technology, and innovation.

On the same day, DOST Bukidnon also met with the Central Mindanao University–Mechanical Engineering Department to explore possible technical solutions and areas for collaboration that may help address the cooperative's operational concerns. Through this initiative, potential opportunities for process improvement, enhanced productivity, and better product quality were discussed, laying the groundwork for future science and engineering-based interventions. By fostering collaboration among farmers, academic institutions, and government agencies, the activity supports the development of practical solutions that can help strengthen local enterprises, improve competitiveness, and create greater economic opportunities for sugarcane farming communities while addressing operational constraints that may affect long-term growth and sustainability.

DOST-PCIEERD, USTP open built environment laboratory in Northern Mindanao

Officials from the Department of Science and Technology-Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD) and the University of Science and Technology of the Southern Philippines (USTP) inaugurate the Built Environment Laboratory (BEL) at the USTP Cagayan de Oro campus on May 28. The facility will support research on energy-efficient building designs and construction materials suited to tropical climates. (Photo courtesy of the USTP Strategic Communication Office)CAGAYAN DE ORO CITY (PIA) — The Department of Science and Technology-Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD) and the University of Science and Technology of the Southern Philippines (USTP) inaugurated the Built Environment Laboratory (BEL) on May 28 at the USTP Cagayan de Oro campus.

The facility will serve as a research center for studying, developing, and testing building designs and construction materials suited to tropical climates. The laboratory aims to support efforts to reduce carbon emissions and lower energy consumption in academic and urban structures.Project leader Engr. Richard Jayson Valera said the laboratory seeks to address increasing energy demands for cooling amid rising temperatures."Ang atuang main goal dinhi, e-relate natu sa current nga sitwasyon sa kalibutan, is para e-minimize gyud natu ang consumption sa air conditioners. If ma-minimize natu ang consumption sa air conditioners, magamay ang consumption sa university," he said.

(Our main goal here, relating it to the current situation of the world, is to really minimize the consumption of air conditioners. If we can minimize the consumption of air conditioners, the consumption of the university will decrease.)Equipment at the Built Environment Laboratory (BEL) includes diagnostic and modeling tools, including fluid flow and thermal simulation software used in building performance research. (Photo courtesy of the USTP Strategic Communication Office)

Valera said the laboratory will use engineering tools and localized weather data to study passive cooling strategies, climate-responsive building systems, and technologies that help regulate indoor temperatures while reducing energy use.He added that the research outputs from the facility will support the university's operations and provide data that local government units and private developers can use to plan and design energy-efficient buildings in Mindanao.The project is part of the collaboration between DOST-PCIEERD and USTP to advance research on energy-efficient and climate-responsive infrastructure in Northern Mindanao. It supports President Ferdinand R. Marcos Jr.'s push for climate resilience, energy efficiency, and science-driven innovation as part of the country's sustainable development agenda. **(IJBD/PIA-10) Irene Joy B. Dayo)**

PBBM hinimok ang mga bagong law graduates na manatiling tapat sa prinsipyo at katarungan

Hinimok ni Pangulong Ferdinand R. Marcos Jr. ang mga bagong nagtapos ng kursong law sa West Visayas State University (WVSU) na manatiling matatag at tapat sa integridad, katarungan, at katotohanan sa pagtahak sa kanilang propesyon bilang mga abogado.

Sa kaniyang talumpati sa ika-3rd Commencement Exercises ng WVSU College of Law, pinaalalahanan ng Pangulo ang mga mag-aaral na piliin ang prinsipyo kaysa kaginhawaan, katotohanan kaysa kasinungalingan, at paglilingkod kaysa pansariling interes upang makatulong sa pagbuo ng bansa.

Kasabay nito, pinangunahan din ng Pangulo, kasama si First Lady Louise Araneta-Marcos, ang pagpapasinaya sa bagong gusali ng College of Law na naglalayong magbigay ng mas malaking oportunidad sa mga nagnanais mag-abogasiya.

Binigyang-diin ni Pang. Marcos ang kasabihan ni dating Pangulong Ramon Magsaysay na ang mga kapos sa buhay ay dapat magkaroon ng higit na proteksyon sa ilalim ng batas. Aniya, pananagutan ng mga abogado na tiyaking hindi mapagkakaitan ng katarungan ang mahihirap at nasa laylayan ng lipunan dahil lamang sa kakulangan sa yaman o kapangyarihan. Idinagdag pa ng Pangulo na sa panahong sinusubok ang tiwala ng publiko sa mga institusyon, ang tunay na sukatan ng tagumpay ng isang abogado ay hindi ang mga kasong napapanalunan kundi ang tiwala ng taumbayan at ang integridad na ipinapakita kahit walang nakakakita.

DOST-PAGASA Explains Connection Between Habagat, El Niño, and Heat Index Amid Changing Weather

As many areas continue to experience intense morning heat and sudden afternoon rains, the Department of Science and Technology Ilocos Region (DOST Ilocos Region) continues to step up its efforts to provide timely updates about the country's weather and climate. In response to many questions from the public after Episode 8 of Tekno PreSyensya, the agency hosted a follow-up discussion through Episode 10, titled "Bantay Ulat Panahon: Habagat-El Niño Outlook and Heat Index Monitoring." The program featured Engr. Mark Louie A. Vergara, Weather Specialist II from DOST-PAGASA Northern Luzon, who cleared up confusion about current weather conditions and what to expect in the coming months.

Engr. Vergara explained that while the country's weather is currently normal, there is a 79% chance that a strong El Niño will develop between June and August, which could last until the early part of 2027. He corrected a common misunderstanding that the extreme heat we are feeling right now is already caused by El Niño. In fact, the start of El Niño is expected to bring more rain and stronger storms to the western part of the country first. This is because it pulls and strengthens the southwest monsoon (habagat), long before the actual dry weather and water shortage happen toward the end of the year.

The discussion also focused on Tropical Cyclone Jiangmi (locally named Domeng). While the storm is not expected to hit land, it is helping trigger the official start of the rainy season by pulling the habagat winds toward the country. This transition is the reason behind the sudden, heavy afternoon rains currently experienced in parts of the region, which are caused by localized thunderstorms that form after hours of intense morning and midday heat.

The episode also broke down the concept of the heat index, or the "apparent temperature"—which is how hot the weather actually feels to the human body based on the air temperature and relative humidity (the amount of moisture in the air). When humidity is high, the body struggles to sweat and cool itself down, making the air feel heavy and sticky. The agency warned that these conditions can cause severe stress to crop and farm animals and pose serious health risks like heat exhaustion and heat stroke, especially for outdoor workers like farmers, street sweepers, traffic enforcers, and construction workers.To stay safe at home, Engr. Vergara shared practical tips, advising residents to open windows on opposite sides of the house to create a natural breeze. He warned that running an electric fan inside a closed, unventilated room is unsafe because it only circulates the trapped hot air. The public was strongly urged to check DOST-PAGASA's official heat index forecasts regularly, and to immediately treat any signs of heat stress with proper rest, continuous hydration, and staying out of direct sunlight.

Gatchalian pinaiimbestigahan ang madalas na red, yellow alert ng NGCP

Naghain ng resolusyon si Senate President Pro Tempore Win Gatchalian upang paimbestigahan ang nakababahalang dalas ng mga idinedeklarang red at yellow alert ng National Grid Corporation of the Philippines (NGCP) na nagdudulot ng serye ng brownout sa Luzon at Visayas.

Sa kanyang Proposed Senate Resolution 425, binigyang-diin ni Gatchalian na ang prediksyon ng posibleng paglakas ng El Niño sa huling apat na buwan ng taon hanggang Enero ng susunod na taon ay maaaring magpalala sa kakulangan ng suplay ng kuryente sa bansa.Philippine Politics News

Batay sa datos mula Mayo 12 hanggang Mayo 31, isinailalim ang Visayas grid sa red alert sa loob ng 22 interval hours at sa yellow alert sa loob ng 93 interval hours. Sa parehong panahon, ang Luzon grid naman ay nakaranas ng red alert sa loob ng 27 interval hours at yellow alert sa loob ng halos 5.5 interval hours.

Ayon sa senador, kabilang sa tutukan ng imbestigasyon ang pagtukoy sa totoong sitwasyon ng suplay ng kuryente sa bansa, pagtiyak sa katatagan ng grid, pagpapanagot sa mga nagkakasalang stakeholder, pagtiyak na sumusunod ang mga generation companies sa pinakamataas na pamantayan ng industriya, pagbuo ng epektibong interbensyon ng pamahalaan, at mahigpit na pagpapatupad ng mga batas sa enerhiya kabilang ang demand-side management sa ilalim ng Energy Efficiency and Conservation Act.

Cayetano, hinamon ng human rights lawyer na magdala ng 13 senador sa sesyon sa Lunes sa gitna ng paggiit na siya pa rin ang Senate President

Hinamon ni Atty. Dino De Leon, isang human rights lawyer, si Senador Alan Peter Cayetano na magharap ng 13 "warm bodies" o pisikal na dadalong senador sa sesyon sa Lunes, Hunyo 8.

Ang hakbang na ito ay upang patunayan na hawak pa rin ni Cayetano ang mayorya at may lehitimo siyang kapangyarihan bilang Senate President.

Isinagawa ni De Leon ang hamon kasunod ng matinding dispute sa pamumuno sa Senado. Patuloy na iginiigiit ng kampo ni Cayetano na siya ang namumuno sa institusyon, sa kabila ng opisyal na deklarasyon ng quorum ng karibal na bloc sa pamumuno ni Senador Sherwin Gatchalian.

Ayon sa abogado, tatahimik at uurong na sila kung kaya ni Cayetano na makapagpakita ng 13 senador sa plenaryo. Gayunman, kung sampung miyembro lamang ang mayroon ito, tahasang binanatan ni De Leon ang senador at kinuwestiyon kung saan umano nito "kinukuha ang kapal ng mukha" para sabihing siya pa rin ang Senate President.

DOST strengthens Mindanao textile industry with launch of first Regional Yarn Production and Innovation Center

KABACAN, Cotabato – The Department of Science and Technology–Philippine Textile Research Institute (DOST-PTRI), in partnership with the University of Southern Mindanao (USM), officially launched the Regional Yarn Production and Innovation Center (RYPIC) in Kabacan, Cotabato on June 5, 2026, marking a significant milestone in the development of Mindanao's textile industry.

As the first facility of its kind in Mindanao and the fourth in the country, RYPIC is expected to improve access to locally produced yarn, strengthen regional textile production, and create new economic opportunities for farmers, weavers, and rural communities across the island.

DOST Secretary Dr. Renato U. Solidum Jr. described the facility as a major step toward decentralizing innovation and bringing technology-driven development closer to communities. He noted that the establishment of RYPIC demonstrates the commitment of DOST-PTRI under the FRONTIER Program to strengthen local industries through regional innovation hubs, enabling communities to benefit directly from science and technology interventions.

The center addresses a growing demand for yarn in SOCCSKSARGEN, which DOST-PTRI data identifies as one of the country's leading regions in handloom weaving communities and practicing weavers. Strategically located in Cotabato, the facility is positioned to serve weaving communities across SOCCSKSARGEN, Northern Mindanao, the Davao Region, and the Zamboanga Peninsula.

According to DOST-PTRI Director Dr. Julius L. Leaño Jr., the launch of RYPIC is not only about establishing infrastructure but also about developing a textile innovation ecosystem that connects fiber producers, yarn manufacturers, weavers, researchers, local governments, and industry stakeholders. He emphasized that the initiative combines technological innovation with the region's rich textile traditions, creating a foundation for sustainable growth while preserving cultural heritage and supporting local livelihoods.

The facility is expected to become a critical link in the region's growing textile value chain. Fiber sources include pineapple leaves from plantations in Polomolok, South Cotabato; abaca from Lake Sebu; and cotton from farms in Sarangani Province, all processed through the Natural Textile Fiber Innovation Hub in Tacurong, Sultan Kudarat.

By transforming agricultural by-products into valuable textile materials, the initiative promotes circular economy practices while opening additional income streams for farming communities. Farmers can now derive value not only from their primary agricultural products but also from materials that were previously considered waste.

DOST Undersecretary for Regional Operations Engr. Sancho A. Maborrang highlighted the broader socioeconomic impact of the facility, noting that its annual production capacity of approximately 13 tons of natural textile fiber blended yarns can help generate sustainable livelihood opportunities for rural communities throughout SOCCSKSARGEN and the rest of Mindanao. He underscored that the initiative demonstrates the growing competitiveness of Philippine natural textile fibers and their potential to meet both local and international market demands.

The project is expected to directly benefit farming groups such as the POLO Multi-Purpose Cooperative and Sta. Cruz Multi-Purpose Cooperative, while supporting approximately 1,982 handloom weavers across Mindanao through improved access to locally produced yarn.

Further strengthening the region's textile industry, DOST-PTRI is also advancing the development of a bamboo textile fiber facility in Maramag, Bukidnon. The upcoming facility will process underutilized bamboo species into textile fibers, complementing the operations of RYPIC and expanding the range of sustainable raw materials available for yarn production.

Once fully operational, the center is projected to produce between 50 and 75 kilograms of yarn daily, equivalent to approximately 270 meters of handloom-woven fabric measuring one meter in width. With yarn valued at around ₱1,800 per kilogram, the facility is expected to generate between ₱25 million and ₱72 million in annual revenue while reducing dependence on imported yarn and stimulating greater weaving activity throughout Mindanao.

Through investments in regional innovation infrastructure, sustainable fiber development, and community-based production systems, RYPIC represents a significant step toward building a resilient Philippine textile industry that creates opportunities from farm to fabric while empowering communities across Mindanao.**(Nelson Santos)**

ICC trial, legal na daan para maikwento ng mga biktima ng drug war ang kanilang sinapit

Ang nalalapit na paglilitis kay dating Pangulong Rodrigo Roa Duterte sa International Criminal Court (ICC) ay magbibigay sa mga biktima ng war on drugs ng unang opisyal na legal na venue upang isalaysay ang kanilang mga karanasan sa isang korte na may kapangyarihang magpataw ng parusa at magprotekta sa mga testigo.

Ito ang inihayag ni Atty. Dino de Leon, convenor ng Team Pinas.

Ayon kay Atty. De Leon, tuloy ang proseso sa kabila ng mga hakbang ng kampo ni Duterte na maantala ang kaso sa pamamagitan ng pagpapalit ng abogado at pag-atake sa kredibilidad ng korte.

Nilinaw ni De Leon na magkaiba ang ICC trial sa "private truth commission" na pinamumunuan ni dating ICC Judge Raul Pangalangan.

Ang komisyon ay isang pribadong inisyatiba lamang upang matulungang makapagsalita ang mga biktima, habang ang ICC ay isang opisyal na korte na may kapangyarihang magbigay ng seguridad at selyuhan ang hatol ng hustisya.

Aniya, ipinababawas na ng ICC ang mahigit 120 nakatalang talumpati ni Duterte na isinumite bilang ebidensya ng kaniyang marahas na retorika.

Ayon kay De Leon, senyales ito na seryoso ang korte na iwasan ang anumang pagkaantala ng kaso kapag napatunayang sapat at may koroborasyon na ang mga ebidensya.

Inaasahan na sa pagsisimula ng paglilitis, masusuri ng mga testimonya ng mga biktima habang bibigyan naman ng pagkakataon ang mga abogado ng dating pangulo na sagutin ang mga akusasyon ng crimes against humanity.

Truth Commission, tiniyak ang pagiging independent sa kabila ng pangako ng PNP na makipagtulungan sa kanila

Tiniyak ng bagong-tatag na Truth Commission ang pagiging independent sa isasagawang imbestigasyon sa mga patayang nangyari noong panahon ni dating Pangulong Rodrigo Duterte at iba pang mga administrasyon na may mga naganap na human rights violations.

Ito ay kahit pa nangako si Philippine National Police (PNP) chief, PGen. Melencio Nartatez Jr. sa mga serye ng pagsusuri ng komisyon.

Sa panayam kay Truth Commission Commissioner for Public Documentation, Transparency, and Democratic Accountability Carlos Conde, nanindigan siyang mananatili ang kalayaan ng komisyon na aralin at suriin ang mga naganap na human rights violations upang makabuo ang komisyon ng independent report.

Mahalaga aniya ang naturang report para masuportahan ang layunin ng grupo na maging paalala ito sa madugong drug war na nagdulot ng pagkamatay ng mahigit 30,000 indibidwal, batay na rin sa independent report ng human rights watchdog.

Nagpasalamat din si Conde sa pagnanais ng pulisya na makipagtulungan at tiniyak nitong lahat ng mga nagpapahayag ng interest na magkuwento at magsalaysay ay bibigyan ng pagkakataon na mapakinggan.

Sa ngayon, may inisyal na listahan na ang Truth Commission para sa mga target na makausap na survivor at pamilya ng mga biktima.

Bagaman may mga pulis na ring nagpapahayag ng interest na makapagkuwento ng kanilang karanasan, sinabi ni Conde na hindi pa sila kasali sa initial list habang nagpapatuloy ang validation sa kanila.

Unang nabuo nitong nakalipas na linggo ang bagong komisyon na isang independent, non-government, at truth-seeking body.

Pinangunguhanan ito ni dating International Criminal Court Judge Raul Pangalangan.

DOH, nagpaalala sa earthquake safety measures kasunod ng lindol sa Bicol

Nagpaalala ang Department of Health (DOH) sa publiko na mahigpit na sundin ang mga hakbang sa kaligtasan bago, sa kasagsagan, at pagkatapos ng lindol.

Ito ay kasunod ng magnitude 5.3 na lindol na tumama sa rehiyon ng Bicol nitong gabi ng Biyernes, Hunyo 5.

Sa inilabas na advisory, binigyang-diin ng DOH na ang maagang paghahanda ay kritikal upang maiwasan ang mga pinsala at iba pang health-related emergencies.

Kaugnay nito, naglatag ang ahensiya ng mga mahahalagang alituntunin. Bago ang lindol, alamin ang pinakamalapit at pinakaligtas na emergency exits sa bahay, opisina, o gusali. Kabisaduhin ang pinakamabilis na daan patungo sa mga itinalagang evacuation centers. Mag-impake ng emergency supply kit na naglalaman ng mga pangunahing pangangailangan tulad ng tubig, pagkain, at first aid kit na madaling makuha.

Sa kasagsagan ng pagyanig, manatiling kalmado, magtago sa ilalim ng matibay na furniture, at protektahan ang ulo mula sa mga nahuhulog na debris. Lumayo sa mga bintana, salamin, pinto, pader, at mga nakasabit na bagay na maaaring mabasag o malaglag. Pagkatapos ng lindol, bago muling pumasok sa mga estruktura, inspeksiyunin ang bahay kung may mga bitak, sira, electrical hazards, o pinsala sa mga linya ng utility. Manatiling alerto sa mga opisyal na ulat ng pamahalaan para sa mga babala ukol sa posibleng aftershocks.

Kredibilidad ng 18-ex-Marines na tumestigo sa flood control probe ng Senate, kinuwestyon ng human rights lawyer

Kinuwestiyon ng human rights lawyer na si Atty. Dino De Leon ang kredibilidad ng 18 nagpakilalang dating Marines na tumestigo sa pagdinig ng Senate Blue Ribbon Committee noong Huwebes, Hunyo 4, kaugnay ng mga maanomalyang flood control projects.

Sa isang pulong balitaan ngayong Sabado, Hunyo 6, inisa-isa ng abogado ang mga dahilan kung bakit kaduda-duda ang pahayag ng mga dating sundalo.

Ayon kay De Leon, apat sa mga testigo ang walang rekord sa Sandatahang Lakas ng Pilipinas, habang ang ilan naman ay napatalsik o "dishonorably discharged" mula sa serbisyo.

Binigyang-diin niya ang pagkakabuhol-buhol ng kuwento ng mga ito ukol sa P805-billion kickbacks mula sa flood control projects, na inilagay diumano sa mga maleta at dinala sa mga matataas na opisyal ng pamahalaan.

Sinabi rin ng abogado na marami sa mga testigo ang may hindi magandang rekord ng pagsisinungaling.

Binanatan din ni De Leon ang tila "leading questions" sa ex-Marines, kung saan hayagan niyang sinabi na mukhang "rehearsed at kino-coach" ang mga ito sa kanilang mga isasagot.

Mateo 3:2
"Ganito ang Kanyang sinasabi, "Magsisi kayo at talikuran ang inyong mga kasalanan sapagkat malapit nang dumating ang kaharian ng langit!"

TUNAY NA PAGSISISI

Sapat na ba ang paghingi ng tawad sa Dios upang sabihing tunay ang ating pagsisisi?

Gawa 26:20
"Nangaral ako, una sa Damasco, saka sa Jerusalem at sa buong lupain ng Judea, at gayundin sa mga Hentil. Ipinangaral kong dapat silang magsisi't tumalikod sa kanilang mga kasalanan, lumapit sa Diyos, at ipakita ang kanilang pagsisisi sa pamamagitan ng mga gawa."

Ano ang mga dapat nating gawin upang ipahayag na tayo'y nagsisisi.

1) May buhay-panalangin. Ang tunay na may ugnayan sa Dios ay sa pamamagitan ng isang lumalagong buhay-panalangin. Kailangan ito upang lumago ang isang mananampalataya sa kanyang pananampalataya. Ito'y hindi isang suwestiyon kundi utos ng Dios.

1 Tesalonica 5:17
"...palagi kayong manalangin..."

Ito ay isang utos upang lumago tayo sa pagkakakilala kay Hesus at magkaroon ng malalim na relasyon sa Kanya.

Ang panalangin ay paraan upang tayo ay makatanggap sa Kanya at magawa natin ang Kanyang kalooban.

Juan 15:5
"Ako ang puno ng ubas at kayo ang mga sanga. Ang nananatili sa Akin, at Ako sa kanya, ang siyang nagbubunga nang sagana, sapagkat wala kayong magagawa kung kayo'y hiwalay sa Akin."

2) May bagong uri ng pamumuhay. Ang tunay na pagsisisi ay ang pagtalikod sa lumang pamumuhay at paglandas ng isang bagong buhay na kasama si Kristo.

2 Cor.5:17
"Kaya't kung nakipag-isa na kay Cristo ang isang tao, isa na siyang bagong nilalang. Wala na ang dati niyang pagkatao, sa halip, ito'y napalitan na ng bago. "

3) Ang taong nagsisi ay may bago ng kaisipan.

Roma.12:2
"Huwag kayong makiayon sa takbo ng mundong ito. Sa halip, hayaan ninyong baguhin ng Diyos ang inyong pag-iisip upang maunawaan ninyo ang kanyang kalooban. Sa gayon, magagawa ninyo kung ano ang mabuti, kalugud-lugod at ganap na kalooban ng Diyos."

Ang taong may bago ng kaisipan ay ang makatatanggap ng pangunawa sa mga pahayag ng Dios.

Efeso 4:23-24
"
Magbago na kayo ng diwa at pag-iisip; at ang dapat ninyong isuot ay ang bagong pagkatao na nilikhang kalarawan ng Diyos, at nahahayag sa matuwid at banal na pamumuhay ayon sa katotohanan.

Gayun din naman, siya ay may kakayahang tumanggi sa alok ng laman, ng mundo at ng demonyo.

1 Juan 3:9
" Ang mga anak ng Diyos ay hindi nagpapatuloy sa pagkakasala, sapagkat nananatili sa kanila ang binhing mula sa Diyos. At dahil ang Diyos ang ama nila, hindi sila maaaring magpatuloy sa pagkakasala."

3.1 Defendant John Doe is an unknown person/s who may be in actual possession or control of the vehicle, in violation of the rights of GDFI, which is the subject matter of this action. The identify and other personal circumstances of Defendant John Doe shall immediately be disclosed to this Honorable Court the moment they are ascertained by the Plaintiff;

4. **On July 29, 2023, Defendants GONZALES** for valuable consideration, executed and delivered to Plaintiff a Promissory Note with Chattel Mortgage, under such terms and conditions therein specified, in the amount of **EIGHT HUNDRED SIXTY NINE THOUSAND FOUR HUNDRED PESOS (Php 869,400.00),** with a contractual interest rate of **1.25%** per month, payable in **Thirty six (36)** monthly installments, in the amount of **THIRTY FIVE THOUSAND EIGHTEEN PESOS (Php 35,018.00)** per installment, beginning **August 29, 2023.** A machine copy of said Promissory Note with Chattel Mortgage are hereto attached and made integral parts hereof, respectively, as **Annexes "D" to "D-2".**

6. All the terms of the loan agreement between Plaintiff and **Defendants GONZALES,** including contractual interest rate, penalties, charges and fees, were reduced into writing through the Promissory Note with Chattel Mortgage abovementioned. Said document was executed by both the Plaintiff and **Defendants GONZALES,** evidencing their free and voluntary consent to be bound by all the terms thereof.

7. **Defendants GONZALES** defaulted in their payment of the monthly installment in violation of the terms and conditions of the Promissory Note and Deed of Chattel Mortgage. For this reason, Plaintiff demanded from Defendants the payment of the whole balance of their obligation which, as of **February 12, 2026,** has amounted to **SIX HUNDRED ELEVEN THOUSAND SIX HUNDRED NINETY THREE PESOS AND TWENTY CENTAVOS [PHP 611,693.20],** exclusive of penalties, interests and other lawful charges. Further, said mortgaged motor vehicle has not been taken for any tax assessment or fine pursuant to law, nor has it been seized under execution or attachment against Defendant's property; or if so, the same is exempt from seizure.

10. Plaintiff is ready, willing, and able to post a good, sufficient, and solvent bond in such amount twice the actual value of subject motor vehicle, which, for Replevin purposes, is valued at **EIGHT HUNDRED THOUSAND PESOS [PHP 800,000.00]**, for the return of the same to the Defendants if the return thereof should eventually be adjudged, and for the payment unto the Defendants of such sum as may be recovered against the Plaintiff, which now claims physical delivery of the mortgaged vehicle.

Padilla: Walang personal na alitan kay Remulla sa gitna ng komosyon sa Senado

Nilinaw ni Senador Robin Padilla na walang personal na alitan sa pagitan nila ni Department of the Interior and Local Government (DILG) Secretary Jonvic Remulla kasunod ng viral na insidente ng pagtutulakan sa loob ng Senado na naging usap-usapan sa social media.

Nag-ugat ang isyu matapos kumalat ang mga video at larawan ng komosyon sa Senado kung saan makikitang nagkaroon ng pisikal na pagtutulakan sa pagitan nina Padilla at Remulla habang ginaganap ang imbestigasyon na isinagawa ng Cayetano bloc.

Sa isang panayam, sinabi ni Padilla na bahagi lamang ng crowd control ang nangyari at walang dapat bigyang ibang interpretasyon ang insidente.

"Kaming dalawa, maximum tolerance naman kaming dalawa. Parehas lang kami na, may trabaho siya, may trabaho ako. Ang mainam doon, nakita naman ng tao na wala namang nagbuhat ng kamay," ani Padilla.

Ayon pa sa senador, hindi maiiwasan ang pisikal na pagtutulakan dahil sa dami ng tao sa loob ng Senado.

"Nagkaroon ng tulakan, siyempre kasi maraming tao, nagkakagulo eh. Ang importante walang nagbuhat ng kamay," dagdag niya.

Binigyang-diin din ni Padilla na nananatiling maayos ang kanyang relasyon kay Remulla at wala siyang sama ng loob sa kalihim.

"Crowd control kami ni Secretary. Kaibigan ko naman 'yon, wala naman kaming personal na away," aniya.

Ang insidente ay naganap habang naroon sina Senador Pia Cayetano at mga indibidwal na nagpakilalang dating sundalo na dumalo sa pagdinig ng Senate Blue Ribbon Committee.

Samantala, nilinaw rin ni Remulla ang kanyang panig sa isyu at itinangging may hinarangan siyang sinuman.

"I was alone about to go home. No police blocking force was with me," pahayag ni Remulla.

Ayon pa sa kalihim, palabas na siya ng Senado nang biglang dumating ang media at ilang personalidad sa lugar.

"I was walking out when a herd of people started pushing me through the narrow hall," dagdag niya.

Ridon, Imee Marcos nagpatutsadahan matapos ang alegasyon ng ex-18 marines

Nagpatutsadahan sa social media si Bicol Saro Party-list Rep. Terry Ridon at Senador Imee Marcos matapos ang lumabas na alegasyon sa ginawang pagdinig ng Blue Ribbon Committee na pinangunahan ng Cayetano bloc.

Sa naturang pagdinig, isang nagpakilalang dating Marine na si Rosebert Waupan ang nagsabing nakita umano niya ang isang maleta na inihatid kay Ridon at isinakay sa isang BMW vehicle sa Quezon City.

"Si Terry Ridon, sir. Nakita ko, sir na 'yung sasakyan niya, BMW 'yun sir eh… Isang maleta din sir," pahayag ni Waupan sa pagdinig.

Kasunod nito, nag-post si Senadora Imee Marcos ng quote card na may bahagi ng naturang testimonya at nilagyan ng caption na "Wag mo siyang maTERRY TERRY!"—isang hango sa linya ng aktres na si Maricel Soriano sa pelikulang "Minsan Lang Kita Ibigin." Agad namang sumagot si Ridon sa social media at itinanggi ang paratang. "Gano kababa binaba," aniya, sa isang pahayag na umani ng iba't ibang reaksyon online. Bago pa man nagparinigan ang dalawa sa social media, mariin nang itinanggi ni Ridon ang alegasyon laban sa kanya. "Kasinungalingan ang testimonya… Walang maleta na idineliver sa akin sa kahit anumang panahon o sa kahit saan mang lugar," saad ni Ridon. Bilang isa sa mga House prosecutors sa impeachment case laban kay Vice President Sara Duterte, iginiit din ni Ridon na hindi maaapektuhan ng mga naturang alegasyon ang kanilang trabaho. "Tandaan: Tuloy ang impeachment trial. Walang kasinungalingan o gawa-gawang testimonya ang makapipigil sa House prosecution panel," dagdag niya.

Zelensky, inaya ng face-to-face talks si Putin para matuldukan ang giyera

Inaya ni Ukraine President Volodymyr Zelensky si Russian President Vladimir Putin ng face-to-face talks bilang panibagong hakbang para matuldukan na ang giyera.

Sa kaniyang open letter sa Russian president, sinabi ni Zelensky na magiging mali na basta na lamang maghintay hanggang sa ang digmaan sa Europa ay muling maging sentro ng pansin ng US, at idinagdag pa na ang kapayapaan ay maaari lamang mangyari sa pamamagitan ng direktang pakikipag-ugnayan sa pagitan ng Ukraine at Russia.

Ayon kay Zelensky, maaaring isagawa ang kanilang harapang negosasyon sa Switzerland o Turkey. Nanawagan din ang Ukraine leader ng ganap na tigil-putukan sa kabuuan ng panukalang negosasyon, bagay na nauna naman nang tinanggihan ni Putin.

Samantala, naniniwala naman si US President Donald Trump na mas mainam kung magkikita ang dalawang lider at umaasang magkakaroon sila ng kasunduan.

Kinumpirma naman na ng Kremlin na natanggap na nila ang sulat mula kay Zelensky at nakatakdang ipaalam ang nilalaman nito kay Putin.

Tributes pour in for Etheridge as he retires from PH squad

Goalkeeper Neil Etheridge has announced his retirement from the national team, ending an 18-year journey defined by passion, sacrifice, leadership and historic achievement.

In his Instagram post, Etheridge reflected on the highs and lows of representing the Philippines, the country he chose to serve as an 18-year-old despite being born and raised in England.

"Love and heartbreak. Passion and desire. I never stopped caring, I always gave everything for the team and the country," Etheridge wrote.

"All I wanted from the beginning was to make a difference and I hope that I was able to achieve that with my service to the country and national team."

Philippine Football Federation (PFF) president John Anthony Gutierrez paid tribute to Etheridge's unparalleled service to Philippine football.

"Neil Etheridge helped change the trajectory of Philippine football. His courage, professionalism, and unwavering commitment to the country inspired a generation of players, particularly world class goalkeepers, and his legacy will forever be woven into the story of our game," Gutierrez said in a news release Saturday.

"On behalf of the Philippine Football Federation, we thank Neil for 18 years of extraordinary service. While his national team duty has come to an end, the impact he made on Philippine football will continue to be felt for generations," he added.

All 13 players of the legendary "Miracle of Hanoi" squad that stunned defending Southeast Asian champion Vietnam in 2010 have now retired.

Etheridge, who joined the national team at 18, earned 82 international caps between 2008 and 2024.

"I made my decision to play for the Philippines. Qualified for the first time ever to the Asian Cup for the country. First Filipino player to ever play in the Premier League. I made some amazing friends along the way and met some great people. Memories that will last with me forever," Etheridge, the first Filipino and first Southeast Asian footballer to play in the English Premier League in 2018, recalled.

Playing for Cardiff City, he saved a penalty on his Premier League debut before earning the club's Player of the Year award and the Philippine Sportswriters Association's Mr. Football of the Year honor.

National team veteran fullback Daisuke Sato thanked Etheridge for "leading the way and setting the standard for all of us" while former national team assistant coach and Miracle of Hanoi goal scorer Chris Greatwich called him "the best ever."

"The national team stands on the shoulders of your efforts over the past two decades," Greatwich said.

Current winger Alex Monis summarized best the feelings of the current crop of players.

"True legend that inspired generations, teaching me what it means to represent this country," Monis wrote on social media. **(PNA)**
